Media Center

The Schenck High School Library houses over 7,500 volumes and subscribes to over sixty periodicals. The library has 12 computers which are networked for internet access, as well as a number of e-readers which are available for student use. The librarian can obtain most needed materials and resources from State, College, and public libraries. The Media Center is staffed by one librarian with a Master of Library Science degree.

Guidance Department

E-Mail Address: cthompson@emmm.org

The guidance department of Schenck High School exists to provide various services for students as they attempt to orient themselves to our shifting society and meet the demands made in and beyond high school.

The department is equipped to help students with problems they might have, whether an educational, vocational, or a personal matter. A guidance library and computer terminal with internet access is available in the guidance center for all students.

Philosophy Statement

It is our expectation that the philosophy and objectives of Schenck High School will be an integral aspect of the daily operation of the school. We expect that the curriculum will reflect the changing needs of the local, state, national and global communities. We expect to challenge all students to maximize their intellectual abilities, realize the lifelong utility of education, learn to accept responsibility for personal decisions and actions, and to develop the skill and willingness to work cooperatively with others. We encourage all students to be active participants in the "joy" of attaining knowledge and skills.

It is the policy of the school board, in its actions, and those of its employees that there shall be no discrimination on the basis of sex, race, religion, nationality, ethnic origin, age, or handicap for employment in, participation in, or operation and administration of any program or activity in the East Millinocket School Department.

Community Type: Rural/Industrial

Population: Approximately 3,000, comprising communities of E. Millinocket, Medway, and Woodville.

Location: Approximately 65 miles North of Bangor, Maine's third largest city.

School Type: Four-year public comprehensive high school.

Enrollment: 119 students from the communities of E. Millinocket, Medway, and Woodville.

Class Enrollment: 35 seniors, 24 juniors, 26 sophomores, and 34 freshmen.

School Year: Two semesters with two marking periods per semester.

Class Rank: Non-weighted and determined on a 0-100 numerical grade scale.

Scheduling/Class Periods: Five periods per day in 63 minute blocks.

Courses meet every other day for a total of eight block periods. All Students are required to take a minimum of six courses per year. Region III Vocational in Lincoln offers 3 hours of a technical instruction per day for students enrolled in a tech prep program of study.

Course Selection: Students have a choice of two programs of study to choose from: **College Preparatory** is for students who plan to apply to a selective four-year academic institution upon graduation, and who have demonstrated superior academic work throughout their scholastic experience.

Technical Preparation is designed for students planning to apply for admission to either a two or four year college or technical school

Advanced Placement: Schenck High School is involved in an articulation agreement with Eastern Maine Community College and the University of Maine to offer college level classes to qualified juniors and seniors. The Bridge Program enables qualified juniors and seniors to earn 36 college credits from the University of Maine system upon high school graduation.
